

New 40GHz Multi-Throw Switch Series: SKT Series

Ducommun has released its commercial grade 40GHz multi-throw terminated switch. This is based off the ruggedized QK series. The SKT series is available in latching & normally open version with options such as:

- TTL Driver with suppression diodes
- DB9 Connector
- Indicator Contacts
- Electronic Self Cutoff (*latching models*)
- Mounting bracket options
- Multiple Voltages: 12V,15V,24V,28V

Standard lead time 6-8 wks (*can improve if needed*)
